

CHRISTINE

All about me:

I am very easy-going and a good listener. I have 2 brothers and 2 sisters. I am smack in the middle of my family. I love being an older and younger sister. I am a both morning and night person, but more night.

School & Stuff: My favourite subjects are reading, writing, science and math. I have 3 best friends, but one moved away (and one's a cousin...)

Cool stuff about me: I go to the U.S. a lot. I get to go to "Glitter and Gold Competition" with my ballet class. Recently, I did pottery and weaving with a class. I am good with animals and I have a talent with acting, singing, writing, swimming and all sorts of stuff!

If I could go anywhere I would go to: Ireland, England, Scotland, Hawaii and take a cruise on the Caribbean!

Who I would like to be like when I grow up and why:

What type of work I want to do when I grow up: An actress because I love acting (especially old fashioned movies!) or a nurse because I can help save people. I might like to be a receptionist for a little while and work with horses.

What I want to do in my future: Be a mom and own a ranch!

Things I hate: Some types of bugs, zucchini (ewe!), when you go to a friends house and they don't know what to do!

My Favourite Things...

Things I love: Reading, writing, swimming, drawing, friends, being out in the rain and snow and TONS more! Emailing! Outside stuff. **Animal:** I LOVE horses, kittens and dolphins.

Movie: Ever After (a little...), Anne of Green Gables 1 & 2 and World War II movies like "Pearl Harbour and "Flyboys"

Book: Anne of Green Gables, Brothers Far From Home and many others

Colour: Green, blue and pink

Game: The Game of Life and Dinosaur Monopoly

Food: Chocolate!!! And chicken soup with white rice and lots more

Season: I'm not sure because I love all seasons

Music: Pop/rock, country

Actor/Actress: John Wayne, Gwyneth Paltrow, Kimberly Williams-Paisley

Me and GGC!

Why I like Girl Guides: It's FUN!

You meet all sorts of girls

Why did you join GGC? I joined when I was 13. I thought it might be a fun thing to try.

My favourite thing to do at GGC: Everything is awesome, I can't pick.

Some of my best friends at GGC: Everybody!

I like selling GG Cookies because: It's neat seeing who buys and who doesn't

Fun Times at GGC: Being lost in a cornfield!

Why I think girls should join GG: Because it is fun, you learn TONS, meet great girls and do great things

Why I think girls should join GG: What is the best thing about Guides? All the girls are like sisters almost...

And another thing I'd like to say.....One of the biggest challenges that girls face today is image! (seriously...) I LOVE GIRL GUIDES! It helps me with all sorts of stuff, like not being afraid to "speak up"...really! One of my proudest moments was when we had a debate and I made a good point. Everyone encouraged me!
